City Council Meeting Minutes
Special Called Meeting
August 5, 2023

The meeting was called to order at 12:00 p.m. by Mayor Brenda Ford

Those in attendance included Mayor Brenda Ford, City Secretary Debra Newkirk, Council members Rex Newkirk, Marc Nelson and Gus Kangos, and Wes Savage. Unable to attend were Council members John Whitmire, Brandee Curtis and Water Operator Janet Boone.

The City Council was meeting in a special called meeting for the purpose of discussing a situation in the well yard. Wes Savage informed the Council that we have discolored water in the new ground storage tank, and it is only in the new tank; however, this discoloration is appearing in certain areas around town. At 10 p.m. on Friday, August 4th, the new tank was completely shut down. Pictures were presented for Council members to see the same photos that had been texted to Wes. After some discussion, Council members went to the well yard to observe the conditions in person.

When the Council members returned from the well yard, the following action items were requested:

1. A message be sent via the phone tree to request that residents voluntarily cut back on their usage due to one of the tanks being out of service;
2. Phone call be placed to Sean Conner and, if necessary, to Sabrina Glenn

At this time, Gus Kangos made the motion to adjourn, Rex Newkirk made the second and with all being in agreement the meeting adjourned at 2:00 p.m.
